

INTERNATIONAL STANDARDS ON AUDITING (ISAs) & CODE OF ETHICS WORKSHOP THE 24TH OF JUNE 2015 AT LEMIGO HOTEL, KIGALI

Overview

Auditors have to comply with the International Standards on Auditing, iCPAR as a regulator is keen in the implementation of those standards in the Rwandan environment.

iCPAR is organizing this workshop to expose auditors on the updates on ISAs and best practices. In addition, the Institute will emphasize on the Code of Ethics auditors and accountants highlighting the implications in case of non compliance.

Why you should attend

The Workshop has been designed to provide delegates with the relevant auditing skills consistent with the compliance requirements of both the ISAs and the iCPAR Professional Code of Conduct.

An Invaluable Workshop! Attend and cover the following among others;

- **New Changes ISA 720 ‘The Auditor’s Responsibilities Relating to Other Information’:** Guidance on Adoption of the New Requirements
- **Critical and Quality Evidence: Series of ISA 500 – 599** Audit Evidence
- **Practical Challenges of Audit in Rwanda in Reference to International Standards on Auditing**
- **Checklist of Conduct for Auditors:** Focus on Abiding by the iCPAR Code of Ethics

Who should attend?
